Subject: Settlement of Microsoft Suit

Dear Attorney Gen. Ashcroft:

I have followed the Government's case against Microsoft over the past few years and I am writing to ask you to please grant your approval to the pending agreement so that we can all move on with much, much more important matters like keeping secure our rights, liberty, and basic freedoms from this unprecedented onslaught of terrorist activity. Please, Sir, there are much more pressing and urgent matters confronting the nation than to expend precious public resources and time continuing to take action against a U.S. corporation that has done much to enhance the lives of individuals and business in general. It is past time for all parties to agree to a just compromise and move on. I am looking forward to your approval of this settlement that is fair, just, and beneficial for all parties involved.

Thank you, Mr. Attorney General, for your time and consideration.

Sincerely Yours,

Gary A. Modun
Olympia, Wash.
